

## **Come to our Working Bee at 9.00am on Sunday 7th August at Rowena Park adjacent to Rafting Ground Park**

**Moggill Creek Catchment Group has been working with SEQC for two years to restore the creek banks along Rowena Park.**

**We invite you to come down to learn what we have done and help plant more native plants.**

**Enjoy some refreshments which we will supply.  
Come with gardening clothes, closed shoes, gloves and a hat.**

**Entry to Rowena Park either via the footbridge from Rafting Ground Reserve or  
down the foot path from Rowena Street**

**For more information contact Malcolm 0418 552409**
